Living Divinely

By Nick Fleming

From 21-26 May. The Nehru Centre, 8 South Audley Street, London W1 1HF. Tel: 020 7493 2019. Website: www.nehrucentre.org.uk. Admission free

Over the past eight years, Nick Fleming has travelled extensively throughout India. This exhibition shows his

work from this period, during which he often gained unique access to the local people. 'I made every effort to let life unfold undisturbed in front of me,' he says. 'I often stayed weeks with monks, spiritual orders, yogis, sages and sadhus. Eventually, I was seen but not noticed.' To hear some of Nick's stories first-hand, a guided tour can be arranged by emailing photographer@amritvela.com.
